Membership Report was read and presented by Jan Fedorow. There has been no change. Our numbers are the same as last time.

Hi-Point— Candy Larsen reported that 11 people are participating in our Hi-Point Program.

Futurity – Candy Larsen told us she had nothing new to report at this time.

2010 A Show: Charlotte Kletecka presented a report to the members attending for their review.

Reg. 11 Delegates Update: Dhea Lamb is Delegate Chair and Deborah Vanorden Smith is 2nd Delegate and they will both be attending the AHA Convention from November 17—21 in Orlando, FL, on NIAHAC's behalf. Both Dhea and Deborah were in attendance and completed registration forms.

New Business

The Nominating Committee for 2011 Officers/Board/Delegates is: Board Member, Dhea Lamb, and Non-Board Member, Rorie Lindell.

2011 NIAHAC A Show: Charlotte Kletecka reported that we have our three year license. The fact that AHA will now charge separately for their magazine, means less members will receive it and we will need to purchase a list from AHA and mail the show bill separately as we used to do. The 2011 Show will be discussed more fully at our next meeting.

2011 Futurity: Candy Larsen reported that "Back By Popular Demand" we will have the \$50 buy in offered again. Rorie Lindell reported that she is willing to take care of Stallion Donations again in 2011.

Next Meeting: October 12th at 6:30 p.m. at Thunder Bay Grille, Rockford, IL. Annual Voting Meeting November 9 at 6:30 p.m. also at Thunder Bay Grille.

Adjournment: 9:00 p.m. 1st - Sharlynn Jacobs, 2nd - Candy Larsen

Inspiration and Endurance

As Arabian Horse lovers, when we turn our eyes to the World Equestrian Games, our attention focuses on the one event that Arabians and Half-Arabians really excel at...
Endurance.

One team hopeful is Jan Worthington and her 10 year old grey Gelding, Leon, from Galena, IL. What inspires me the most about this team is that Jan turned 70 on July 4th and maintains her fitness by caring for 45 horses and riding three horses a day.

AHA News

As of June 30th, registrations of purebred Arabians are at 95 percent of last year and Half-Arabians are at 105 percent. As with virtually all the breed associations, AHA memberships continue to decline.

Keep in mind that these beautiful animals are not machines and a fast move up in levels can easily hinder their athletic ability and work ethic. Riders and their horses must be safe, smart and have fun.

- Elizabeth Kantra

What to do in September...

Here are some final opportunities to show your horse locally before hanging up your show bridle and hitting the trails on those cool, bug-free autumn days! Hook up your trailer one last time and show those open show judges what you and your horse can do! Don't you need just one more ribbon to hang up before the leaves fall, the snow flies, and you need six layers just to make to the barn? Go for it!
